REQUEST FOR CORRECTED OFFICE COMMUNICATION

Mail Stop ISSUE FEE
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants respectfully request that the March 29, 2006 Office Communication (copy attached) be corrected. The form PTO-90C that was mailed with the Communication erroneously asserts that an IDS was submitted on February 6, 2006, and that an IDS was filed after the mailing date of the Notice of Allowance that was mailed on November 3, 2005.

Both statements are incorrect. The paper filed by Applicants was actually filed on February 3, 2006, and not February 6, 2006. Furthermore, the February 3, 2006 paper was not a new IDS, but actually a request for acknowledgment of an earlier IDS that was filed in 2004. The Examiner has still never considered or acknowledged this earlier IDS, nor has he given any explanation for his failure to do so.

Nevertheless, the enclosed return postcard showing the Patent Office stamp clearly proves that the May 20, 2004 Information Disclosure Statement was received at the Patent Office on May 24, 2004, and it was therefore "submitted" well before the mailing date of the Notice of Allowance, and even before the mailing date of the first Office Action on the merits. Accordingly, the March 29, 2006 Office Communication must be corrected to properly reflect these uncontested facts.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
